EXPERIENCE

Spray Technician — Turfco | Idaho Falls, ID Apr 2026 – Present

- Applied lawn treatment programs across residential and commercial properties while maintaining strict safety and quality standards.
- Diagnosed turf health issues and recommended customized treatment solutions that improved property appearance and customer satisfaction.
- Maintained and calibrated spraying equipment to reduce downtime and support efficient daily operations across multiple job sites.

Member Associate — Franklin YMCA | Franklin, TN Oct 2022 – Mar 2026

- Assisted members with account management, scheduling, and facility questions in a high-traffic front desk environment.
- Streamlined front desk operations by resolving issues quickly and improving communication between staff and members.
- Trained new employees on operational procedures, communication standards, and membership systems to improve team consistency.

Crew Member — McDonald's | Berry Farms, TN Jun 2020 – Oct 2020

- Managed high-volume customer orders while maintaining speed, accuracy, and food quality standards in a fast-paced environment.
- Collaborated with team members to improve workflow efficiency during peak meal hours and reduce customer wait times.
- Maintained cleanliness, organization, and food safety standards to support efficient daily restaurant operations.

Groundskeeper — Hideaway at Arrington | Arrington, TN Nov 2017 – Aug 2018

- Maintained golf course grounds and landscaping to ensure daily course readiness and presentation quality.
- Operated landscaping and maintenance equipment safely and efficiently during daily maintenance operations.
- Improved course appearance through detailed upkeep, hazard maintenance, and turf management support.

PROJECTS

- Developed and deployed full-stack web applications using Node.js, Express, PostgreSQL, and JavaScript with authentication systems and responsive UI design.
- Built database-driven applications focused on usability, filtering systems, REST APIs, and interactive user features.
- Portfolio: <https://portfolioblaisepalombo.netlify.app/>

EDUCATION

Brigham Young University - Idaho | Bachelor's in Web Development & Design | Sept 2019 – Present

VOLUNTEER EXPERIENCE

Representative — The Church of Jesus Christ of Latter-day Saints | Alberta, Canada Sept 2020 – Sept 2022

- Coordinated and participated in community service projects supporting individuals and families across multiple communities.
- Trained and mentored new representatives in leadership, communication, organization, and daily planning.
- Managed outreach efforts, scheduling, and goal tracking while working with diverse populations and community leaders.
